President's Report

It is a privilege to present the Club's Annual Report for the 2025/26 financial year.

We are a unique athletics club in Melbourne with a deep history, strong community connection, still striving for clubrooms in Ivanhoe.

Over the past year we have continued a disciplined approach to our funding and maintained a stable membership driven by good relations with local schools.

Our membership declined marginally from 105 members last year to 99 this year. Social membership inclusive of "Recreational Runners" increased but our actual participation in Track and Field declined. In 2023/24 our participation on the Track, i.e. average number of events per athlete in AVSL was 16.2 events, this year that number fell to 10.17 events per athlete. The reduced levels of participation in the AVSL Track and Field program seems to be across most clubs which is a concerning trend for athletics generally.

From an administrative point of view, the Club functioned very well with our strong Committee operating efficiently. The Club finances are in good shape with our Bank balance growing by 12.6% thanks largely to our Trivia Night fundraising, continued support of sponsors and control of costs.

The lack of progress with the redevelopment of clubrooms at Chelsworth Park remains a serious impediment. At this stage, it is expected that Ivanhoe Grammar School will be able to commence demolition of the old buildings and rebuild the new, towards the end of this year. Completion of the development will provide us with shared occupancy with the Old Ivanhoe Grammarians' Football club.

Our Cross Country team competed in Division 2 for the first time in a long time. We ended the season in 6th position in a very strong competition, our number 2 Team (Div 6) won the Premiership and our Women's Team comfortably won Div 5 which was a first ever Women's Premiership for the Club. By any measure, a very successful winter season.

In summer Track and Field competition the Club had 27 athletes competing in Division 4. Though light in numbers our girls in particular performed very well, underpinning our results. We ended the season in 8th place of the 11 Clubs in Division 4. Details of individual performances are covered elsewhere in this Annual Report. Special thanks to Cyril Dixon for his coaching contribution to the Club.

Our close relationship with Ivanhoe Grammar School, our provision of training, coaching and mentoring of young athletes has continued. Bruce Hutchins has done a fine job building good connection with IGS and the students. Bruce is now officially "on board" at IGS as Coach of Athletics and Cross Country. It is hoped this initiative will benefit the Club in the years ahead. We continue to enjoy solid support from the senior management at the school as we strive to add value to the School athletics and cross country program.

Communication has played a big part in the growth of the Club. The re-booting of the Cursus mailing list in 2014 has been instrumental in achieving this goal. This financial year we issued 10 Editions of Cursus to a circulation list of over 300. Sincere thanks to David Burke for formatting and production and Anne Bukovsan for her excellent photography. In addition, special thanks for the work done by Braden Fraser in supervising Facebook and Instagram.

As noted above, we have grown our balance sheet by 12.6% with cash on hand of \$45,815.46 and total net worth of the Club circa \$55,000.00 which includes uniform stock and equipment. This pleasing progress over the past 10 years is due to the commitment and effort from members and Committee who have collectively worked to make this happen. I sincerely thank my Committee for their support and hard work over the past few years.

Our Trivia Night was, once again a significant success. Profit of \$5,559.60 was a 6% increase on last year, obviously a great result. The personal contribution of Life Member, John Edney in running the Trivia Night was, once again, outstanding. Apart from the fund-raising, the fun and social aspect of the evening was a real highlight.

The Club needs to continue to grow its financial strength in order that we are in a healthy position to finance future equipment. The much anticipated rebuild of clubrooms at Chelsworth Park will require equipping of a weight training room upon completion. Therefore, we will have a future funding obligation estimated at \$40,000.00 for weight training equipment at that time.

Our partnership with Old Ivanhoe Grammarians' continues to develop and we are working together to improve our visibility on Facebook and Instagram. We are confident this deepening of our relationship with Ivanhoe

Grammar School is improving the visibility of athletics at the school, particularly as we strive to promote female participation in athletics.

Sponsorship of the Club is a vital cog in the wheel. Corporate sponsorship also indicates the support of community to our Club. This financial year we have been very appreciative of the growth of our Club Sponsors.

Miles Real Estate has continued to significantly support the Club. The commitment of Miles Real Estate commenced back in 2014.

Bendigo Bank in East Ivanhoe has donated their full support this season. We look forward to a long relationship.

Aspect Broking has continued its long-term association with the Club. Sincere thanks to the Wallis family. **Barr'd Tapas Bar**, a great relationship, keen to develop a long term association.

East Ivanhoe Grocers has also maintained its long connection with valuable donations to our Trivia Night efforts.

I encourage all our members to support these businesses whenever they are able.

Our Committee over these past ten years has been very stable with each member donating their valuable time to the Club. We are a very diverse group and have achieved much on our journey as Club caretakers. In the end, we are all volunteers donating our valuable time to the Club. My sincere thanks to David Burke, Barry Greig, Michael Wallis, Braden Fraser, Richard Russell, Anne Bukovsan, Brenton Hall, Bruce Hutchins, James Lynch, Cyril Dixon and Caroline Stevenson for their support and professionalism.

Ivanhoe Harriers Athletic Club - Audit Report

I have carried out the audit of the Statement of Receipts and Payments of the Ivanhoe Harriers Athletic Club for the year ended 31st March, 2026.

In carrying out my audit, it has not been practicable to confirm all receipts from various sources of income beyond accounting for amounts received as shown in the Committee's books. With this qualification, I am of the opinion that the attached Statement of Receipts and Payments is properly drawn up so as to show a true and fair view of the results of the Committee's operations for the year ended 31st March, 2026.

Cross Country Report

The Cross Country season of 2025 was the most successful in many years for the Club, with two premierships and a return to Division 2 for the men's open team. Our first ever female open team won the Division 5 premiership in their debut season, and our men's Division 6 team won their premiership and earned promotion to Division 5 for 2026. Our top men's team competed in Division 2 for the first time in many years and finished a creditable 6th in a tight competition for the single Division 1 promotion spot.

In total we fielded 38 runners and 11 teams at the final round (the Tan Relays), the largest representation we have had at an XCR final in many years. The strong recreational running group has been the engine room — converting parkrun runners into XCR athletes — and supplied multiple new debuts across the season.

Female Open Division 5 — PREMIERS

Five round wins, podium in three of the other five rounds, and the only team to score in every round. Led by Rachel Paterson in her first ever XCR season, with PBs across every distance from 5km road to half marathon, Rachel was simply outstanding. The premiership would not have happened without Fiona Mitchell and Chloe Thomson, who in their first XCR seasons turned up week after week to make full teams. The team is promoted to Division 4 for 2026. A milestone for the Club fielding its first women's team. Rachel Paterson, Theadora Hally, Chloe Thomson, Fiona Mitchell, Kate Bukovsan, Victoria Crane, Natalie Power, Juliet Clayton, Kristyn Watkins and Paige Bukovsan. The team won 5 rounds and was the only team to score in every round. Welcome to all the women who ran XCR for Ivanhoe in their debut season.

Male Open Division 6 — PREMIERS

A premiership built on showing up. Brenton Hall ran in every round and led from the front; Peter Castaldo, Liam Furlong, Ollie Gualano, Max Quinlan, Nick Dempsey, Alex Linke and Charles Shea all contributed. Simon Rigoni's solo run at the State CC Championships in Ballarat (10km in 48:27, scoring 14 points on his own) was the decisive contribution that kept us in front of Melb Uni. The team won the first round (Hanging Rock) and the final round (Tan Relays) and was on the podium another three times. Promoted to Division 5 for 2026.

Male Open Division 2

Back in Division 2 for the first time in many years and finished 6th in a tight finish for promotion to Division 1. Owen Dumsday led the team through the entire season with consistent top-30 finishes and a string of road PBs (sub-15 over 5km, sub-31 over 10km, 1:11:09 at Burnley ½). Jamie Blackburn was strong when fit (and battled glandular fever mid-season). David Greig, Alex Linke, Liam Furlong, Ben Morrison, Nick Dempsey, Ollie Gualano, Harley Mileto and Tom Langdon (down from Sydney) made up the rest of the squad. The cross country courses suited us best, with our highest finishes at Hanging Rock (2nd) and St Anne's (2nd). The willingness to field a full team most weeks meant overflow runners were available to support the Div 6 premiership team.

Junior teams

Junior representation continues to build. Carla Parris, Kate Bukovsan, Sadie Crane and Claudia Chugg ran in the female teams; Leonardo Donarelli (returning from injury), Jason Zhang, Billy Crewes, Ethan Watkins, Banjo Watson, Ethan Mellor and Gilbert Gowan made up the male U16 squad. Leonardo's 4th place at the AA National Cross Country (U15) at Ballarat was the run of the season.

A record turnout with 42 runners, back in 2021 we had 24. The other years since 2018 have been under 20 attending to run.

A run away winner was Max Small who ran 31m 43s, a massive 7m 17s under the handicap time.

Second was Theodora Halley in a time of 31m 50s, 3m 10s under the handicap time.

Third was Victoria Crane in a time of 29m 50s, 2m 50s under the handicap time.

Apart from some outliers (or form hiders), the handicap times were relatively close to actual times ran. 35 out of 42 runners ran within 2 mins of their handicap time.

27/42 ran within 1 minute of their handicap time.

14/42 ran within 30 secs of their handicap time.

A new course record was run by Jamie Blackburn in 18m 46secs, 34 secs quicker than his prior course record set in 2023.

Owen Dumsday also broke the previous course record running 18m 56secs.

Very fast times in excellent conditions.

Track & Field Report

The 2025–26 AV Shield League (AVSL) season was held in Division 4 with a tight contest in the middle of the ladder. After a strong start with a 4th and a 3rd in the opening two rounds, we settled into 6th to 8th for the back half of the season as numbers thinned over the Christmas break. We finished 8th overall on 64 points (78,047 cumulative). Carla, Kate and Burkey each competed in all 10 rounds, with the depth of the squad — particularly post-Christmas — the recurring challenge. The summer was punctuated by some standout individual performances. Carla Parris led the MVP from start to finish with multiple 400+ point scores in 400m and triple jump and a final lead of more than 1,000 points. Kate Bukovsan was second. Burkey (David Burke) moved into 3rd as he stepped up to M50+ and then held that spot through to the end. Barry Greig had a strong start before injury sidelined him from Round 5 onwards. Three club records highlights set during the season — Leonardo Donarelli's M15 800m at Australian Junior championship 1:58 was simply outstanding. Leonardo's M15 1500m (4:06, beating Stuart Adderley's 1998 record) and Rachel Paterson's Female Open 1500m (5:00, beating Paige Bukovsan's 2022 record). Alex Linke's 800m progression was the season's other story — multiple PBs through the summer, including 1:58.01, 1:57.71 and 1:57.53 at Vic Milers Club, plus a 53.5 PB in the 400m at Round 9. Mabel Taylor was very consistent in the sprints (385–407 points across her 100m and 200m runs), and Owen Dumsday continued his form from XCR with a sub-1:57 800m and 54.82 over 400m. Welcome runs through the season for Ashleigh Palmer, Jack (IGS Track Club), James Rickard, Sarah, Claudia Chugg and Juliet Clayton.

Corporate Sponsorship - Valuable Community Supporters

During this season we have grown our key sponsors and established closer relationships to existing sponsors which only adds strength to both parties. We love our sponsors and encourage our growing membership to support them where possible.

Our corporate sponsors enable the Club to undertake projects which would otherwise be unachievable. Sincere thanks from the Committee for this great local community support.

Miles Real Estate has been with us for many years and over the past 12 months has assisted with production of our "Centenary" training shirt, celebrating Miles Real Estate's 100 year anniversary and Ivanhoe Harriers 110 year anniversary. We are very proud of our longstanding relationship with Miles. Do not hesitate to consult with Miles Real Estate for your property advice.

Bendigo Bank, our Banker, is a more recent sponsor and has been actively participating in and showing a genuine interest in the Club. Manager of East Ivanhoe Branch, Jon Hyatt, is a wonderful supporter and his staff provide competitive interest rates for both borrowing and investment products.

When attending the Branch, please remember to mention your connection with Ivanhoe Harriers. We have been absolutely delighted to be supported by Bendigo Bank this year.

Barr'd Tapas Bar, our newest club sponsor, specialises in tapas style meals, private functions and quality service.

Barr'd is located in East Ivanhoe Village at 240 Lower Heidelberg Road and is open Tuesday -Thursday from 4.00pm and Friday-Sunday from 3.00pm.

We encourage all of our members to support Barr'd and enjoy the casual atmosphere and quality meals.

Aspect Broking, thanks to Michael Wallis, has been supporting the Club for many years. Aspect Broking specialises in all forms of insurance and business insurance requirements. Very experienced in its field with ability to advise or arrange all manner of coverage. Members are encouraged to contact Michael should they require assistance or advice with insurance matters.

East Ivanhoe Grocers-Foodworks: our local community supermarket has been supporting the Club for many years. This local business reminds us of the classic New York deli. A fantastic array of fresh foods and prepared take-away meals prepared by their in-house chef. The business has won many awards for excellence.
